Foreword

1. Hewie -  
This year's theme "Around Campus With Scotty," features someone well known to every Highlander. We have chosen Scotty, our school mascot, to lead you through the Tartan. He'll greet you on each division page and lead you through each section. Follow him to all the football games, club meetings, and other school activities of the past year. The first time we meet Scotty is at our first football game when we are Freshmen. He is with us at our games the rest of our high school years and adds spirit to our assemblies. Scotty stands for our ever-lasting Highland spirit. As you tour the Tartan with Scotty we hope you will enjoy the excitement and memories we have captured of the year '64.

## Class History

FRESHMAN 1960-61: During our first year at Helix, our class was accepted into the Highland Clan. The following class officers were elected after orientation: President — Richard Wood, Vice-President — Bob Anderson, Secretary — Teri Wright, Treasurer — Lucinda Danielson. Our Frosh Council worked closely with the officers. Helix's first foreign exchange student, Dietmar Schudlich arrived. SOPHOMORE 1961-62: President — Bob Anderson, Vice-President — Manuel Padilla, Secretary — Julie Akers, Treasurer — Marilyn Walker. Our activities included sponsoring a successful dance and selecting our Jr. rings. This year we began paving our way to an exciting senior year. JUNIOR 1962-63: Our Junior year was one of fun and accomplishment. Some of our many activities included: a dance, bake sale, Jr. caroling during Christmas, collection of Jr. dues and the Jr. Party at Big Oak Ranch. The class scholars were honored as the Tartan and Torch Bearers. Our fine class officers were the following: President — Tony Dulawan, Vice-President — Bonnie Bachman, Secretary — Julie Akers, Treasurer — Marilyn Walker. SENIOR 1963-64: President — Tony Dulawan, Vice-President — Dale Ruemping, Secretary — Pat Huffstutter, Treasurer — Manuel Padilla. Our Senior year was the most important and active of all our high school years. We had the Barbecue in the Sr. Patio, the Sr. Banquet at the OceanHouse, the Sr. Prom at the El Cortez, and the After-Prom at "Arts Roaring Twenties." Homecoming Queen was Julie Akers. The Senior Play, "The Miracle Worker" was sensational. We were very fortunate to have two foreign exchange students Molly Tan from Malaya and Carlos Gonzales from Spain.

# The Miracle Worker

"I wanted to teach you — oh, everything the earth is full of, Helen, everything on it that's ours for for a wink and it's gone, and what we are on it, the — light we bring to it and leave behind in — words, why, you can see five hundred thousand years back in a light of words, everything we feel, think, know — and share, in words, so not a soul is in darkness, or done with, even in the grave. And I know, I **know**, one word and I can — put the world in your hand — and whatever it is to me, I won't take less!"

A masterful job was certainly done this year in the Senior Play. It took many long grueling hours of hard work, but the great success it turned out to be made every effort put forth worthwhile.

Many times we have a tendency to forget that it doesn't just take actors to make a play. There are long hours expended by the stage crew as well. The scenery was also done beautifully.

GARY PATTERSON

Boy's and Girl's State is an honor that has been given to three of our students from Helix. These three students were selected from their entire class on the basis of scholarship, student activities, leadership, and other extracurricular activities. The representatives from our school attended a session at the state capital in California. They were given an opportunity to participate and to learn more about our government. At this session they were also given an opportunity to participate in many enjoyable and entertaining activities. The La Mesa American Legion Auxiliary very graciously sponsored four girls from the Grossmont District to attend Girl's State.

Molly Tan  
Malaya

Molly finds it difficult to compare her family life in America with that of Malaya. She has her share of chores here that she does not have at home. Molly is certainly relieved that there are only three meals served each day, because doing dishes is something new for her.

In Malaya, Molly takes 10 subjects a week. The first half an hour of school is for moral studies, with academic subjects starting at 8:00 A.M. School ends at 2:30. In Malaya the teacher changes classes and the students stay in one room. Molly attends an all girl school in Malaya. The discipline in Malaya is different than that of America—for example when the teacher enters the room they stand to recite and at the end of each lesson they thank the teacher. The school term in Malaya lasts for three months with a vacation from two to six weeks during the semester break.

In Malaya the teenagers do not date until they leave school, however, the dating procedure depends on the individual family.

Malaya celebrates New Years four times a year, because they have three major races in Malaya. The Chinese New Year is an exciting celebration. The boys dress in dragon costumes and visit the homes with much noise from cymbals and drums. Families place money on a high part of the house and the "dragon" has to climb up to get it. The money is given to charities and also to support various organizations.

The elders of a family give the children money and members of the family wear bright colors and there is an air of celebration during the entire 15 days of the New Year. On the fifteenth day some go to the seashore and the young girls throw oranges into the surf "assuring a good wife" and the old men throw stones hoping for a "large house."

Molly agrees that customs may be different but people are the same the world over and she likes them!

Carlos Gonzales  
Spain

Carlos with his American family  
The Hotts

In Carlo's family in Spain, he has two little twin brothers who are twelve years old. They are in the eighth grade at school. His father is a police inspector, and his mother is a housewife. In Carlo's American family, he has a sixteen year old brother, Ron, and a fifteen year old sister, Mary Anne. He agrees that the family life from one country to another is just about the same.

Carlos enjoys everything in America and the incident he will remember most is the death of President Kennedy. He will especially remember the Commission Class because it gave him an opportunity to know the school better. Carlos likes all American food and he enjoys playing football.

The school system in Spain is different than that of the United States. There, school starts October 20th and ends May 20th. There are six days of school a week and eleven subjects a year. The school in Spain starts at 9 a.m. and they go home for lunch at 2 p.m. School resumes at 3:30 p.m. and the day ends at 7:30 p.m. There are separate schools for boys and girls. When Carlos returns to Spain, he plans to become a doctor engineer in electronics and he also would like to return to America within six years. The dating procedures are quite different in Spain. The boys have to go to the girls school before it ends and wait for the girls in order to ask them for a date.

Spain shares many of the customs that are practiced in the United States, only the dates are different. Christmas is celebrated on January 6 instead of December 25. Fool's Day is December 28 in Spain and here it is April 1. Also, Mother's Day is celebrated December 8 and in America it is the second Sunday in May.

Carlos helps in Commission Class, and he chose the "May Apple Green" color the A.S.B. office was painted.

Mr. Ramsey

We, the Class of 1964, would like to offer our sincere thanks and appreciation to Mr. Leonard Busch for his great efforts in guiding our class through our four years in high school. We gratefully appreciate his willingness to help us in every way. Also many thanks to our class advisors, Mr. Pirie, Miss Fagan, and Mr. Ramsey, without their help we could not have achieved the goals set before us.

# *Juniors*

During the past year at Helix, our Junior Class has attempted to establish itself as one of the most efficient and hard-working classes of the school. We have initiated many events such as two dances, a Clean-Campus Day and pie-eating contest, the Junior newspaper, the Junior party, and the Jr. Dues Collection. Our efforts were assisted by the committee chairmen and their able committees.

# Sophomores

The Sophomore class this year was one of the best ever at Helix. The spirit was great as were the class officers and committees. The committees we organized were led by very capable leaders and were active all year. In the fall we sponsored a dance — very successful. We also sponsored a bake sale and car wash and selected our junior rings. Our officers greatly helped organize each activity.

Dear Howard,

I'll never be sorry for going to that party that Friday, because then I would never have met you. (How sad!) I wish I could think of something special to write, but all I can say is that you are the best. I can't give you much fun with anyone. I've never had fun as I have when I was a kid. I wish I could let you know how lucky I feel to be going with you, and how happy I am to have you now. The other day you said that we should do something special some time. But everything is so old with you now. I sure hope you are as young as you seem. Well, it's really a problem with me. I've written what I want to say, but it's a problem to find the right words. Maybe I'm too young to be any good.

The Helix Hymn  
Our praise we sing to you  
With hearts strong and true  
A symbol of our honor  
Where the cross meets the blue  
Our loyal sons when called  
All rally to their clan  
The pride of our Highlands  
Shines forth in each man  
I really wanted to show you I love you. Maybe I'm too young to be any good.

NOMINATING CONVENTION

NOMINATING CONVENTION

The Spring semester brought a memorable year at Helix to a close. Our Nominating Convention, the first in which a serious candidate for office was nominated from the floor, and the election of student body officers allowed students to participate in school affairs. Our basketball team won the S.D.C.I.F. Championship in a final game with La Jolla High School. The Senior Class will always remember an eventful Senior Prom at El Cortez and the After-Prom at Art's Roaring Twenties before the long-awaited graduation.

GRADUATION

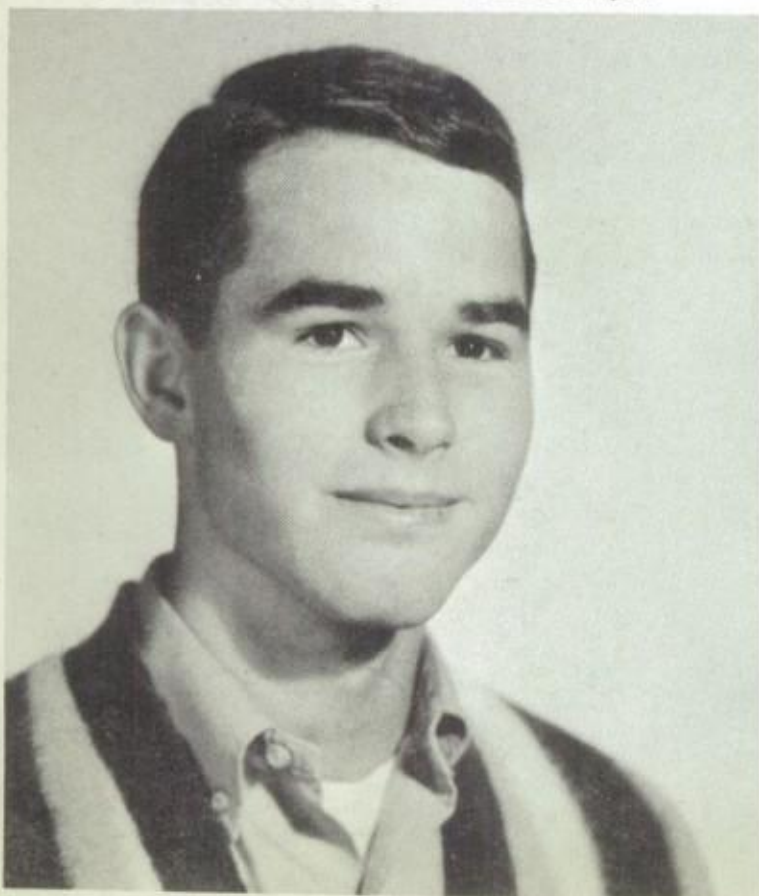

Associated Student Body President — Joe Kinsella

Led by ASB President Joe Kinsella and under the direction of the new advisor, Mr. Woods, Helix Student leaders have successfully worked in unison for a better commission class which helped to strengthen our Highland Clan. Our Vice-President, Ted Limpic, has done an outstanding job in student council by arousing interest and participation in student body affairs. The Nominating Convention, organized by Julie Akers, included more student representation and participation than ever before. It was one of the most successful conventions Helix has had.

# Grossmont League Co-Champions

## FOOTBALL

Pegged as a rebuilding year, the Highlander football team was involved in a three way tie for the league championship. Coached by Dick Gorrie, Warren Vinton, and Bill White, the Highlanders compiled a 6-2 record.

The Highlanders opened their 1963 season with a hard fought game against Hoover. Although losing by a score of 14-13, the Highlanders outplayed the highly rated Cardinals.

In their next outing Helix crushed the El Cajon Braves by a score of 34-0. Then El Capitan entertained the Highlanders. Trailing most of the game, the Highlanders exploded for the game winning touchdown in the last 30 seconds, to defeat the tough Vaqueros 12-9. This set the stage for our game with arch-rival Grossmont.

The Grossmont game proved to be a bitter defensive battle, in which the Highlanders again scored the winning touchdown in the last minute. The final score was 10-7.

In the next game the upstart Eagles of Granite Hills entered the composition. But the birds fell by a score of 19-7.

The following week the Highlanders took a breather from league play and tangled with the Lancer's from Hilltop. The Highlanders gained the victory by a score of 28-13. The battle of the brothers' was next.

Again, coach Dick Gorrie's Highlanders proved too much for the Monarchs of Monte Vista. The final score was 20-0 in favor of Helix.

This set the stage for the most important game of the season. A victory over Mt. Miguel would give the Highlanders undisputed first place in the Grossmont League standing. But an inspired Miguel team shocked the Highlanders by scoring 20 points in the second half and taking the game 20-0.

This loss caused a three way tie for the league championship. El Capitan received the league vote. It was another outstanding year for football at Helix. Next year should also be an outstanding year for Helix.

The J.V. Team went undefeated again this season while compiling a 6-0-1 record, and taking the league championship. The Freshmen team also were league champions, with a record of 5-1.

# Cross Country

Coached by Mike Muirhead, this year's cross country team, although it put out a great amount of effort, suffered from an overall lack of experience. With only a nucleus of four returning lettermen, Andy Atkinson, Erich Russell, Dale Ruemping, and Ron Wells, the rest of the team was composed of relative newcomers to varsity running.

Defending their league championship proved to be quite a problem for the Helix runners. While only compiling a 1-8 record this past season, the team did reasonably well in invitational meets, placing second in both the Mount San Antonio College and Aztec Invitationals. The future looks brighter with such outstanding prospects as Rick Rubin, Ron Oliver, Mike Kelly, Bill Immenschuh, Charles Peters, and Laird Bole.

The Junior Varsity runners experienced another fine season, placing second in the league with a 5-1 record. Their only loss was to El Capitan.

The freshman team ended the season with a 1-5 record. These runners should be a tremendous asset to next year's J.V. team.

## Varsity

**Ron Wells** — A returning letterman, Ron was one of the most dependable runners on the varsity squad this year. His tremendous attitude will be missed next year.

**Rick Rubin** — Only a sophomore, Rick enjoyed his best race against University. With two years of competition left, Rick is a fine prospect.

**Paul Krefting** — Although troubled by a bad knee, Paul still managed to give a fine effort for the team. His fine attitude will be missed next year.

**Andy Atkinson** — A senior, Andy was considered a very excellent runner. Placing 1st for Helix several times, he was consistently near the top. His fine effort will be missed next year.

**Ron Oliver** — Brought up from the J.V. in the middle of the season, Ron gave many fine performances for the team. With one year left, he should become a tremendous runner.

**Don Simons** — Don had his best race against El Cajon where he placed 6th. His fine spirit and effort will be missed next year.

**Dale Ruemping** — Dale, a senior, was noted for his fine effort in important meets. Graduating in June, Dale's consistent running and fine desire will be missed from the team next year.

**Erich Russell** — Only a junior, Erich has completed his second year on the varsity. Erich, running his best race against El Cajon, should be an outstanding runner next year.

## C. I. F. Champions

This year's Highlander Varsity Basketball team proved to be one of the finest teams ever assembled at Helix. They finished the season with an amazing overall record of 27-3, the best ever for the school.

Considered by many to play only "good enough to win," the roundballers ran over every team in the league to win the championship with a perfect 12-0 slate. City schools also posed little problem as Helix also won the Kiwanis Class AA Tournament championship.

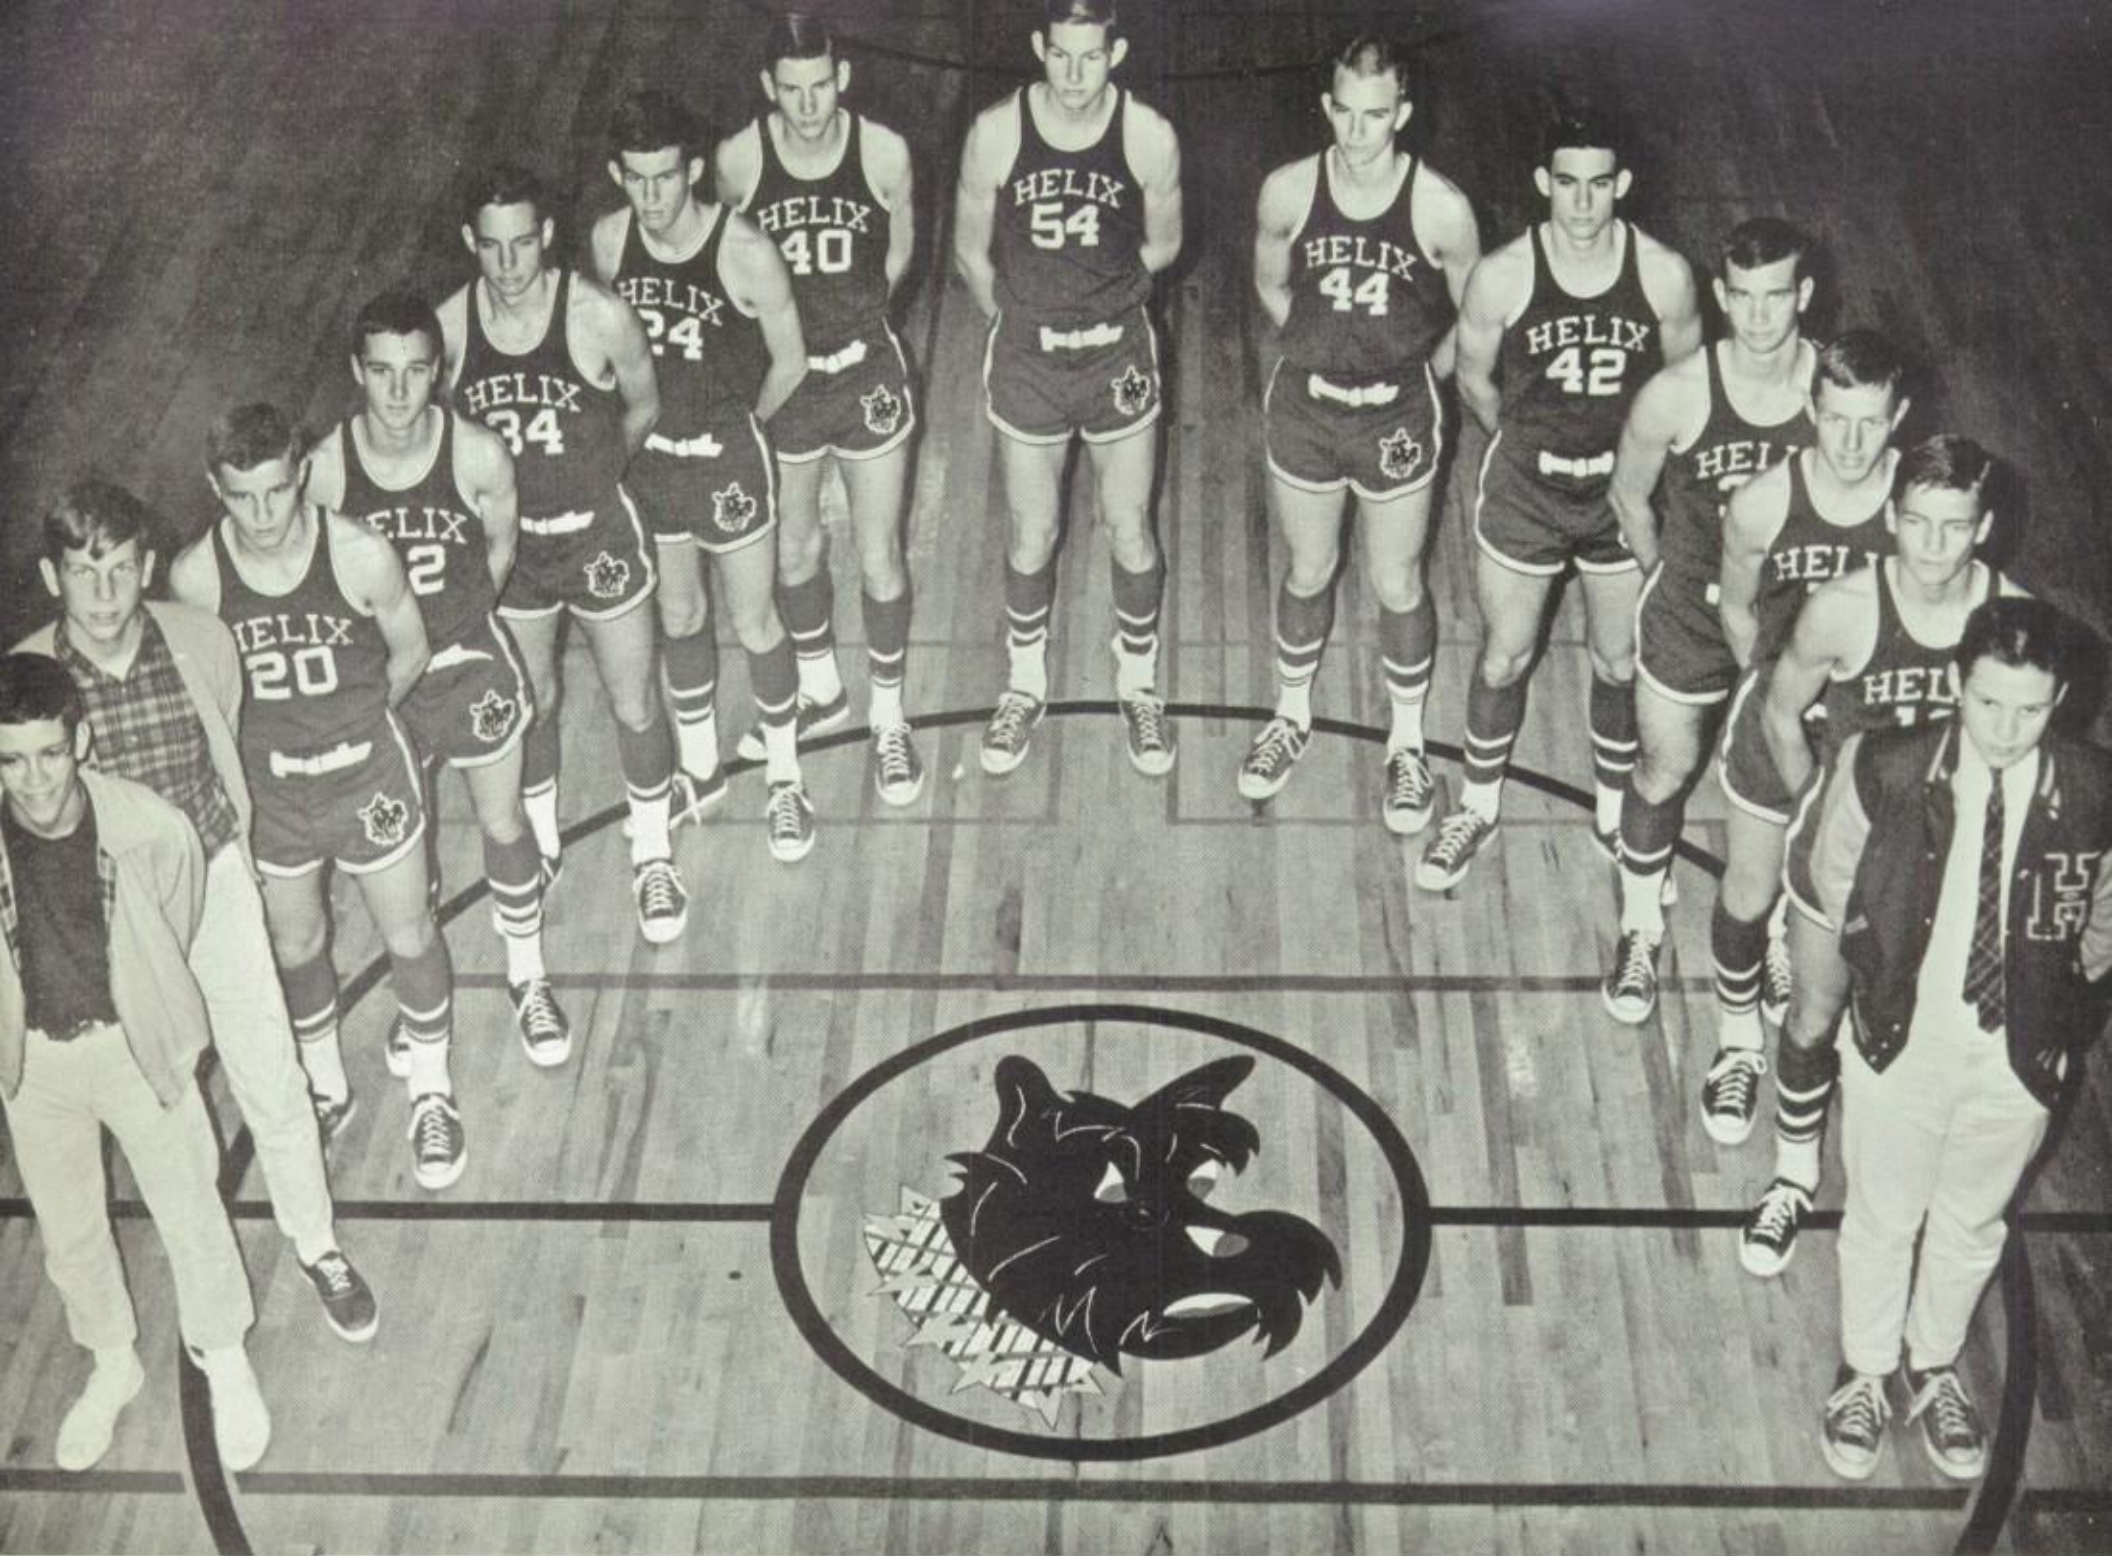

In the San Diego C.I.F. Finals, Helix squeaked by two tough teams, Kearny and Crawford, to the championship game with La Jolla. The Buccaneers were previously undefeated in season play and were working on the biggest winning streak in the county to date. But there was no contest. The Helix team, probably playing its best game, trounced the La Jolla team into the floor, 76-56, to give the Highlanders their first C.I.F. Basketball Championship.

**John Quiggle** — A senior, John has played guard for his second year on the Varsity. A tough and aggressive player, John's consistently fine play will make him a tough man to replace on next year's team.

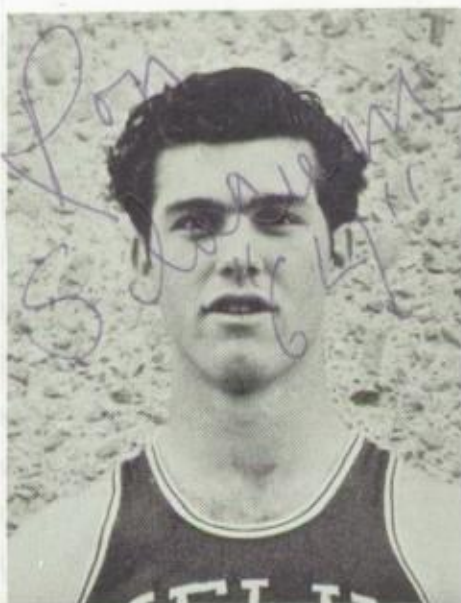

**Al Skalecky** — Showing vast improvement from last year, Big Al has led the team in both field goal percentage and rebounding. Probably the determining factor in this year's outcome, Al leaves a big hole to be filled at the position of center next year.

**Lynn Lowder** — Lynn's desire to play well has made him one of the five Helix starters this season. Probably one of the best shots on the team, Lynn's fine hustle and reacting ability should make him a mainstay of next year's team.

**Emery Elles** — Emery, one of the many big men of this year's team, completed his second year on the Highlander Varsity Squad. An excellent rebounder and accurate shooter with a fine touch, Emery will be missed in the future.

**Terry Klipp** — Playing guard for the second year on the Varsity Squad, Terry has shown vast improvement since last year. An aggressive driver and fine shooter, Terry's fine talents and drive will be missed next year.

**Ron Slocum** — A natural player, Ron has been a mainstay of this year's team. Being the fastest man on the team and the best driver, Ron has headed many a timely fast break. Besides this, his alert reacting ability and strong rebounding have made him a valuable defensive player.

**Jim Sunderman** — Again this year, Jim has been one of the Highlanders most valuable players. Jim has consistently been one of the top scorers and has led the team in free throw percentage this past season. His tremendous rebounding ability has also made him a valuable asset and he will be sorely missed next season.

**Mike Brown** — Hustle and desire are some of the qualities which mark Mike as the fine player he is. A good team man and dependable defensive man, Mike was an important asset to Helix's championship team.

**John Shalecky** — Only a Sophomore, John gained a lot of valuable experience during the basketball season. Displaying vast improvement with each game, John's fine rebounding ability and desire should make him an outstanding player next year.

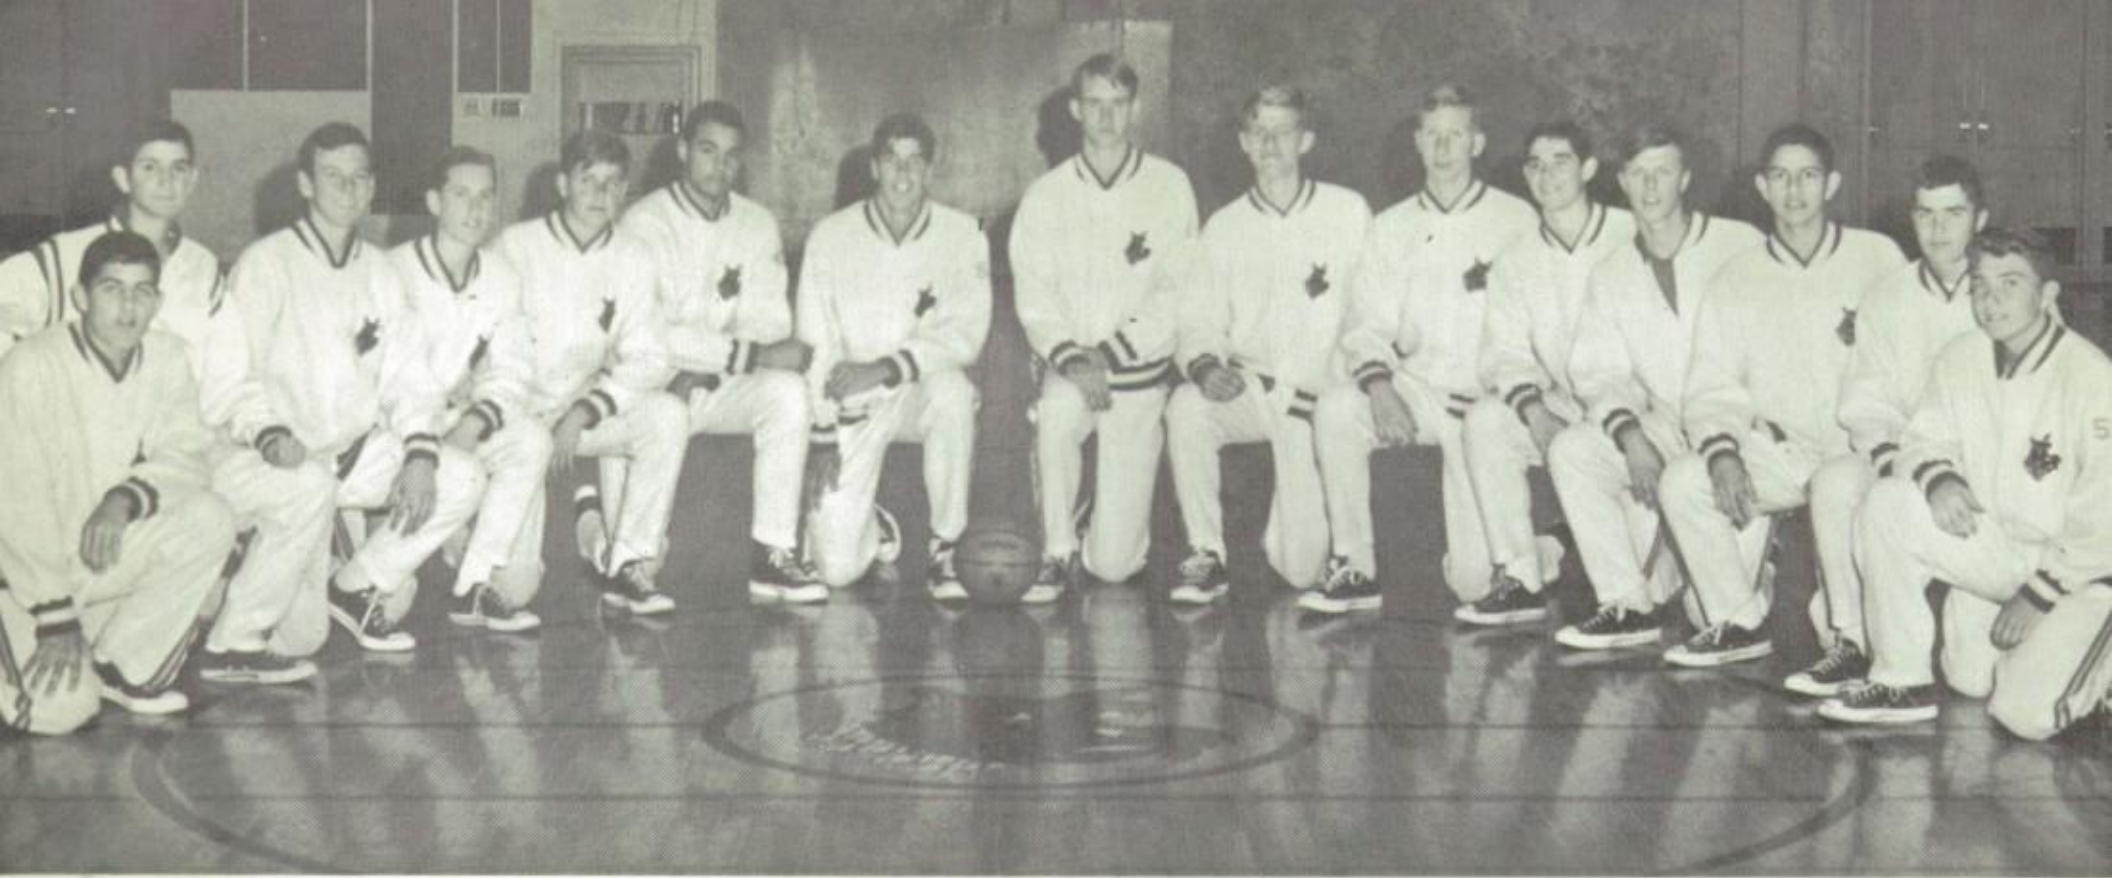

**Larry Bailey** — The sixth man on this year's Championship team, Larry has shown great promise and improvement with each game. A consistently fine shooter, defensive man, and rebounder, Larry has one more big year left.

**Bob Grundstrom** — Without a doubt, Bob has improved vastly from last year. The team playmaker, Bob has baffled many an opposing player with his tricky passing and fine dribbling. It will take a big man to fill Bob's shoes next year.

**Gene Lucero** — Only a junior, Gene played both guard and forward for the Highlander team. His all around versatility and hustle, plus the valuable experience he gained this season, should make him one of the Helix starting five next year.

**JUNIOR VARSITY — L. to R:** J. Morgan, C. McGhee, T. Bray, D. Foley, T. Berquist, C. Brown, J. Ugrin, J. Pothoff, R. Anderson, D. Hansen, M. Wiley, S. Nobienky, P. Smith, P. Miter, J. Seil.

COACH NASH

Coached by Gordon Nash and Ross Walker, this year's Junior Varsity and Freshman basketball teams compiled 13-7 and 13-6 records, respectively. With such excellent potential in such players as Juniors Charlie Brown and Phil Smith, Sophomores John Ugrin and Stan Nobienky, and Freshmen Mark Brown, Rick Barnes, Judd Carson and Larry Creel, Helix should have many more years of fine basketball.

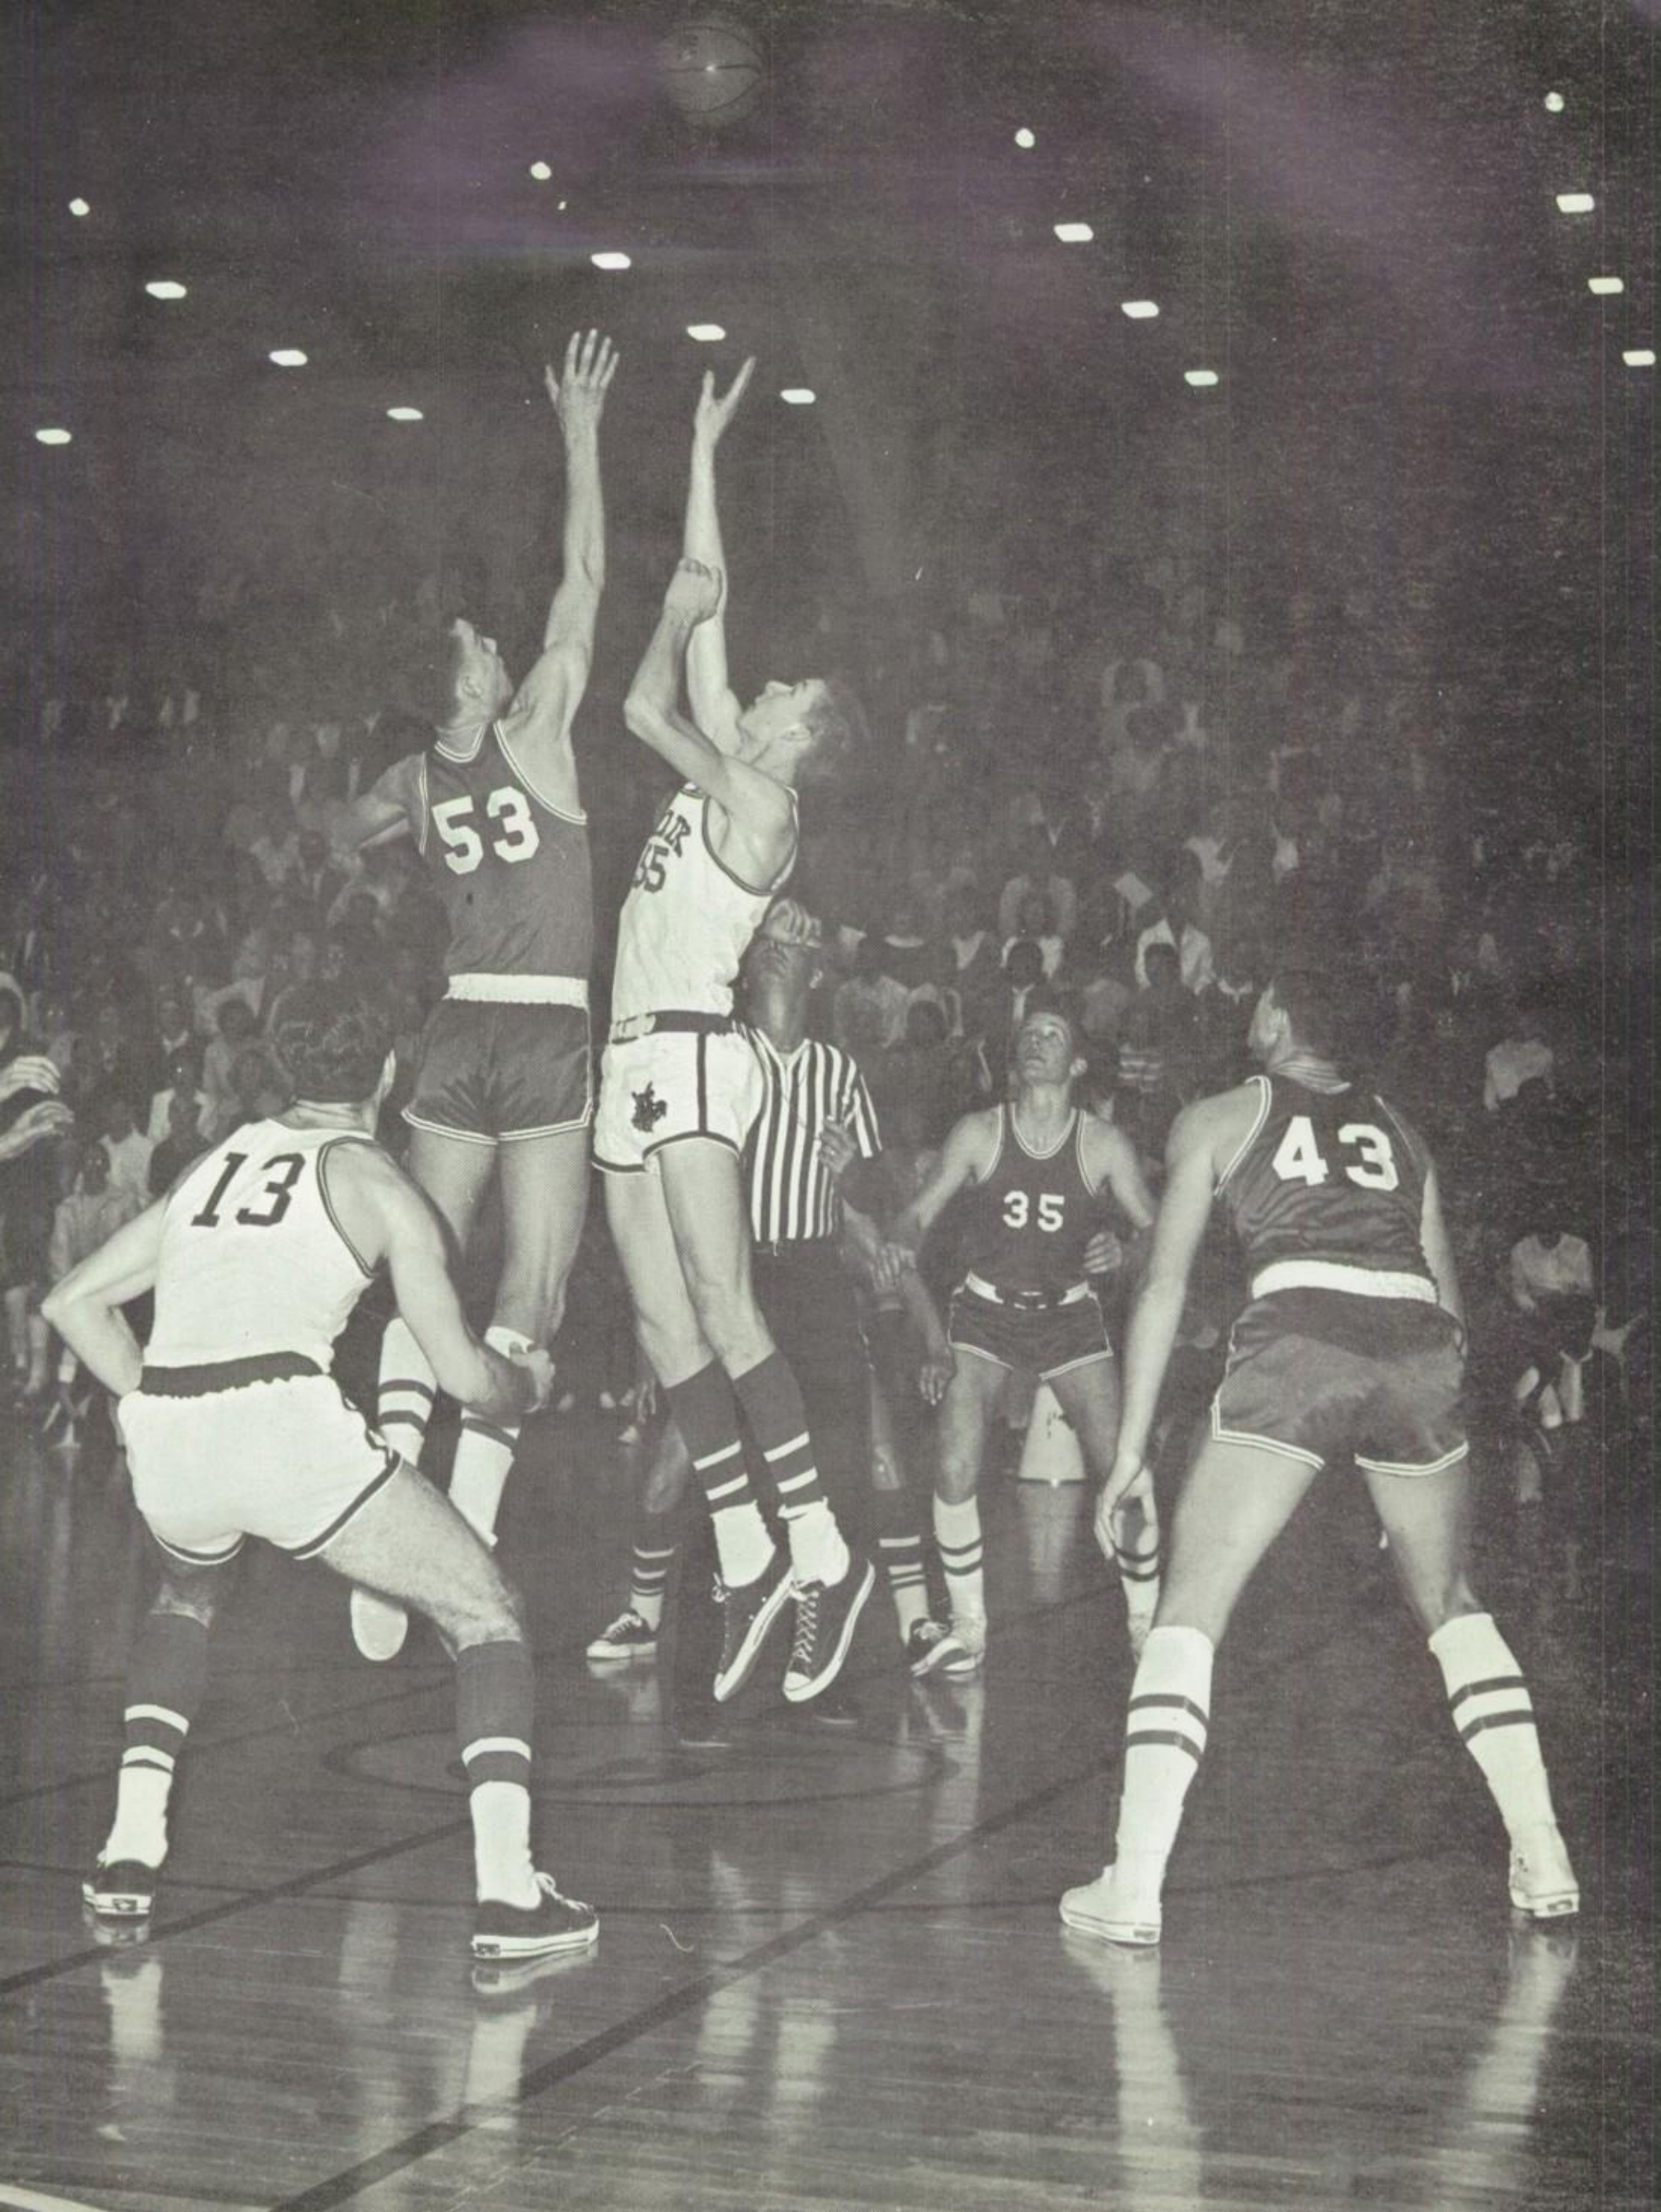

COACH WALKER

**FRESHMEN — L. to R:** C. Wood, J. Woll, D. Bareno, T. Williams, J. Smith, L. Creel, M. Brown, D. Alvarez, B. Weissbuck, B. Adolph, R. Edwards, K. Madsen, B. Bauer, J. Carson, R. Barnes, B. Tanner.

# Wrestling

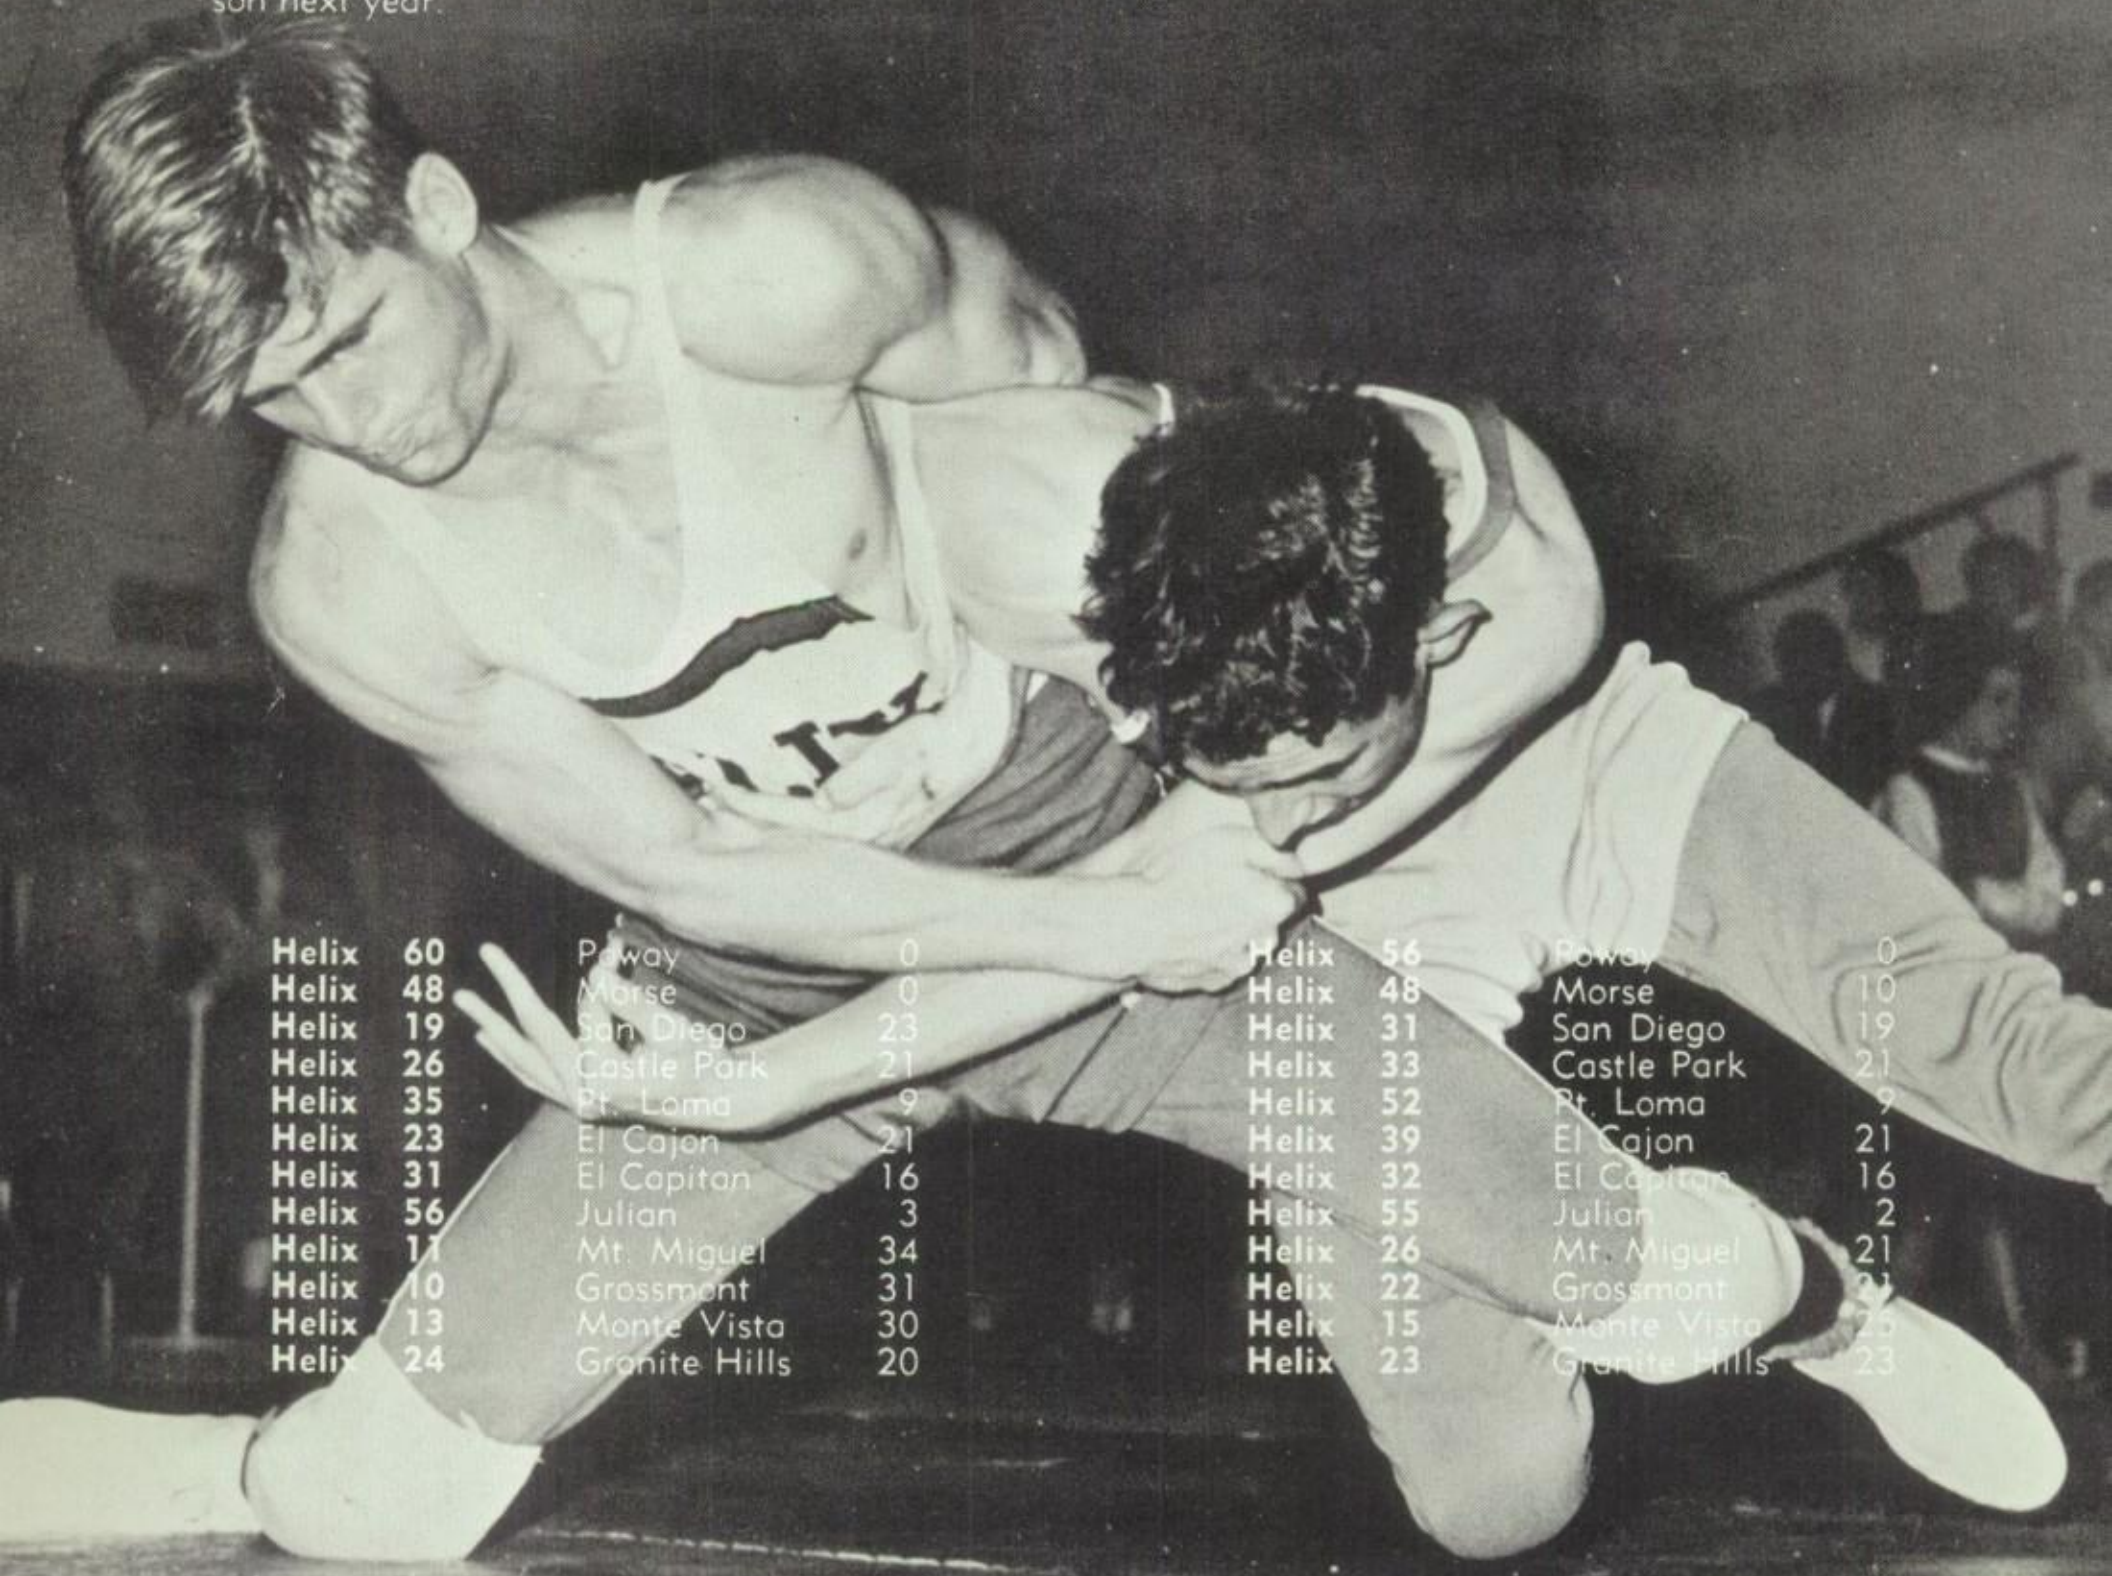

Showing vast improvement over last year, this year's Highlander wrestling squad compiled a 9-3 record which gave them a fourth place finish in the tough Grossmont league competition. Although losing to Mt. Miguel, Monte Vista, and Grossmont, the Highlanders beat all other league foe and were undefeated in non-league action.

With many outstanding wrestlers coming back next year, the Highlanders can look toward another successful season next year. However, there are certain seniors who will be missed next year. Steve Gilmore, who took 1st place in league competition, Martin Eady, Richard Wood, Al Lester, Bob Berry, Willie Lorenzen, and Mike Matson, will all be missed. But the future looks bright with such outstanding wrestlers as Charlie Peterman, 3rd place in league competition, Tom Lester, Jim Weir, Mike Simpson, George Peterman, Bob Nunez, Ron Coover, Chuck Davis, Bill Klinger, Robin Eady, Bill Sturges, and Paul Heagy all coming back next year.

In conclusion, Coach Charles Feeser's wrestling squad should have another outstanding season next year.

**Tom Lester**—95 Lbs. Completing his second year on the varsity squad, Tom has wrestled well in the 95 lbs. class. Just a junior, Tom has one more year left, and should be a valuable asset to next year's team.

**Al Lester**—133 Lbs. Coming to Helix as a junior last year, Al has wrestled at the 133 lbs. class for two years. Al showed great improvement from last year and was a valuable asset to the team. Al will be missed next year.

**Bob Berry**—127 Lbs. Completing his second year as a Helix varsity wrestler and a Helix varsity letterman, Bob has been a valuable asset to this year's team. Graduating in June, Bob's wrestling skills will be missed next year.

**Martin Eady**—156 Lbs. One of the better wrestlers on this year's team, Marty has been a consistent winner in varsity competition. A senior this year, Marty will graduate in June and leave a big hole to be filled.

**Mike Simpson**—165 lbs. Only a junior this year, Mike has shown vast improvement over last year. A very consistent wrestler this year, Mike has won many important matches. Mike can be counted on to do the job next year.

**Steve Gilmore**—120 Lbs. A senior this year, Steve has completed his second year of varsity competition. Showing promise last year, Steve blossomed into a fine wrestler and was all league while taking 1st place in the Grossmont league. The C.I.F. finals lie ahead of Steve at this writing.

**George Peterman**—145 Lbs. Just a junior, George has shown tremendous improvement over last year. A very consistent wrestler this year, George has won many important matches. With one big year left, George should be a fine all-around wrestler next year.

**Richard Wood**—Unlimited. Completing his second year of varsity wrestling, Wood wrestled heavyweight for the Highlander team. Combining brain and brawn, Woody has beat many a stronger opponent. His fine attitude and ability will make him a hard man to replace next year.

**Willie Lorenzen**—112 Lbs. Completing his third year of varsity competition, Willie has been an outstanding wrestler for the Highlanders. A versatile wrestler, Willie wrestled at three different weights until he broke his leg towards the end of the season.

**Mike Matson**—138 Lbs. Completing four years as a Helix wrestler, Mike proved most valuable in his weight class. Winning some important matches this year, Mike's spirit and desire was an inspiration to the team.

**Jim Weir**—180 Lbs. One of Coach Feeser's most pleasant surprises, Jim has developed into one of Helix's truly fine wrestlers. Only a junior, Jim wrestled at the tough 18 weight class. His amazing strength and desire to win should make him an outstanding asset to next year's team.

Although only taking second place in the Grossmont League last year, the Highlanders streaked to the San Diego C.I.F. championship. However, defending their championship may prove a problem this year. As of this writing, the Highlanders have dropped two close games; one to El Cajon and one to El Capitan. But a strong finish is predicted.

Coming back from last year and leading this year's team are all-leaguer Ron Slocum, Bob Brown, Tom Lean, Chuck Edwards, Dick Dimeo, Butch Witmer, Dave MacGregor and junior Dave Elstrom.

With good pitching and better hitting the Highlanders can expect another highly successful season. Coach Bill White's varsity club can expect a lot of help next year from the boys who played down on the Junior Varsity. The J.V., coached by Gordon Nash, is expected to have another outstanding season.

# Track

Grossmont League Champions for the last two years, this year's team seems headed for its third straight track title. As of this writing, Helix has compiled a 3-0 league slate and is currently tied for first with arch-rival Grossmont.

Coached by Mike Muirhead and Bob Speidel, this year's team is composed of some outstanding talent: Byron Olander in the 100, 220 and broad jump; Gary Patterson in the hurdles; Doug Nelson and Marc D'Spain in the shot put and discus; Ron Wells and Dale Ruemping in the 880 and Stu Levenson, Mike Mellon, Nelson Edwards, and Bruce Thompson in the sprints.

This year's team, along with the B's and the C's, should have another very successful season.

## Tennis

With the loss of several key players, the tennis team's future looked mighty dim. But through hard work and the coaching of Ross Walker, such players as junior Jim Person, seniors Ed Carpenter and Tom Brobst, and sophomore Greg Cheung, will make the Highlander team tough.

Both the varsity and the JV are expected to be up near the top again.

## Swimming

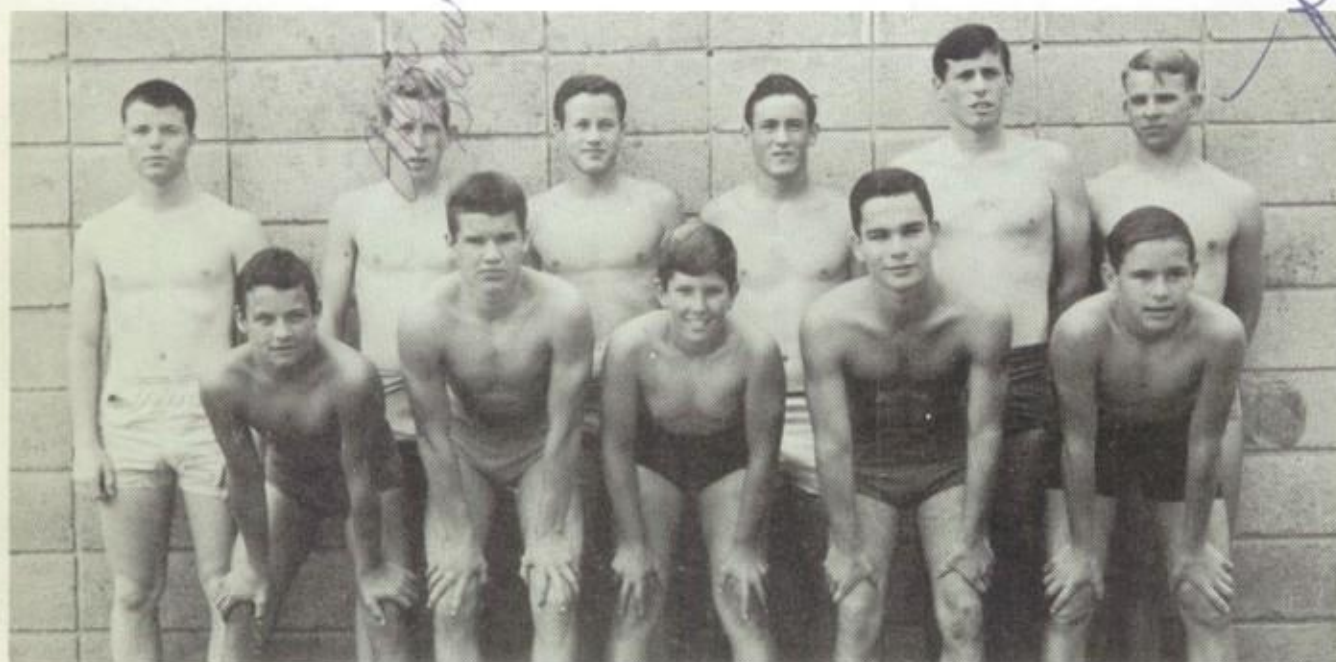

This year's varsity swim team, coached by Bill Ehlers and Lyle McCabe, is probably the strongest team to appear on the San Diego scene in a long time. They are highly favored to take their second San Diego C.I.F. crown.

As of this writing, the Highlanders are still undefeated and they were the team champions at the Vista Relays. The backbone of the team are returning lettermen, Steve Yale, Neil Heimburg, Dana Levy, Ted Limpic, Don Alexander, Mike Dodson, Andy Russell, Banks Beasley, and newcomer Fred Baird.

Congratulations and best wishes are extended to the Class of '64. You have completed thirteen years of education. How much you have accomplished in this time depended a great deal on your own abilities and efforts. Whether you go to college, to a trade school, secure a job, or get married, you should continue your learning.

Because of the rapid changes in the employment picture, most young people will have to train for three different jobs during their lifetime. Women will work an average of twenty-five years, in addition to maintaining a home and raising a family. Untrained and unskilled workers will not be able to meet the competition for jobs. This will make Adult Education increasingly important. Don't be satisfied with the least you can do. Make your alma mater proud of you by giving your best to whatever you choose. Come back to see us often.

Goodbye and God bless you.

*Hazel A. Bole*

## *Dean of Students*

Congratulations and best wishes to a truly outstanding Class of '64!

As Dean of Students, it has been my pleasure to assist many of you during your high school careers. It is my sincere wish that each of you will succeed in reaching the goal that was set at Helix High School.

You are entering an extremely competitive society which needs well-informed citizens ready to participate in the government of this great nation. I believe every '64 graduate has these qualifications. Good luck!

An individual is walking up the white Hyannis Port beach sand dunes. Perhaps this picture symbolizes the rough path of life with its accomplishments and disappointments, ending unexpectedly just around the bend. The individual is looking toward the world's new horizon, knowing that each of us will mold the New Frontier. The horizon for which the individual dedicated his life is expressed in his inaugural address, part of which appears below:

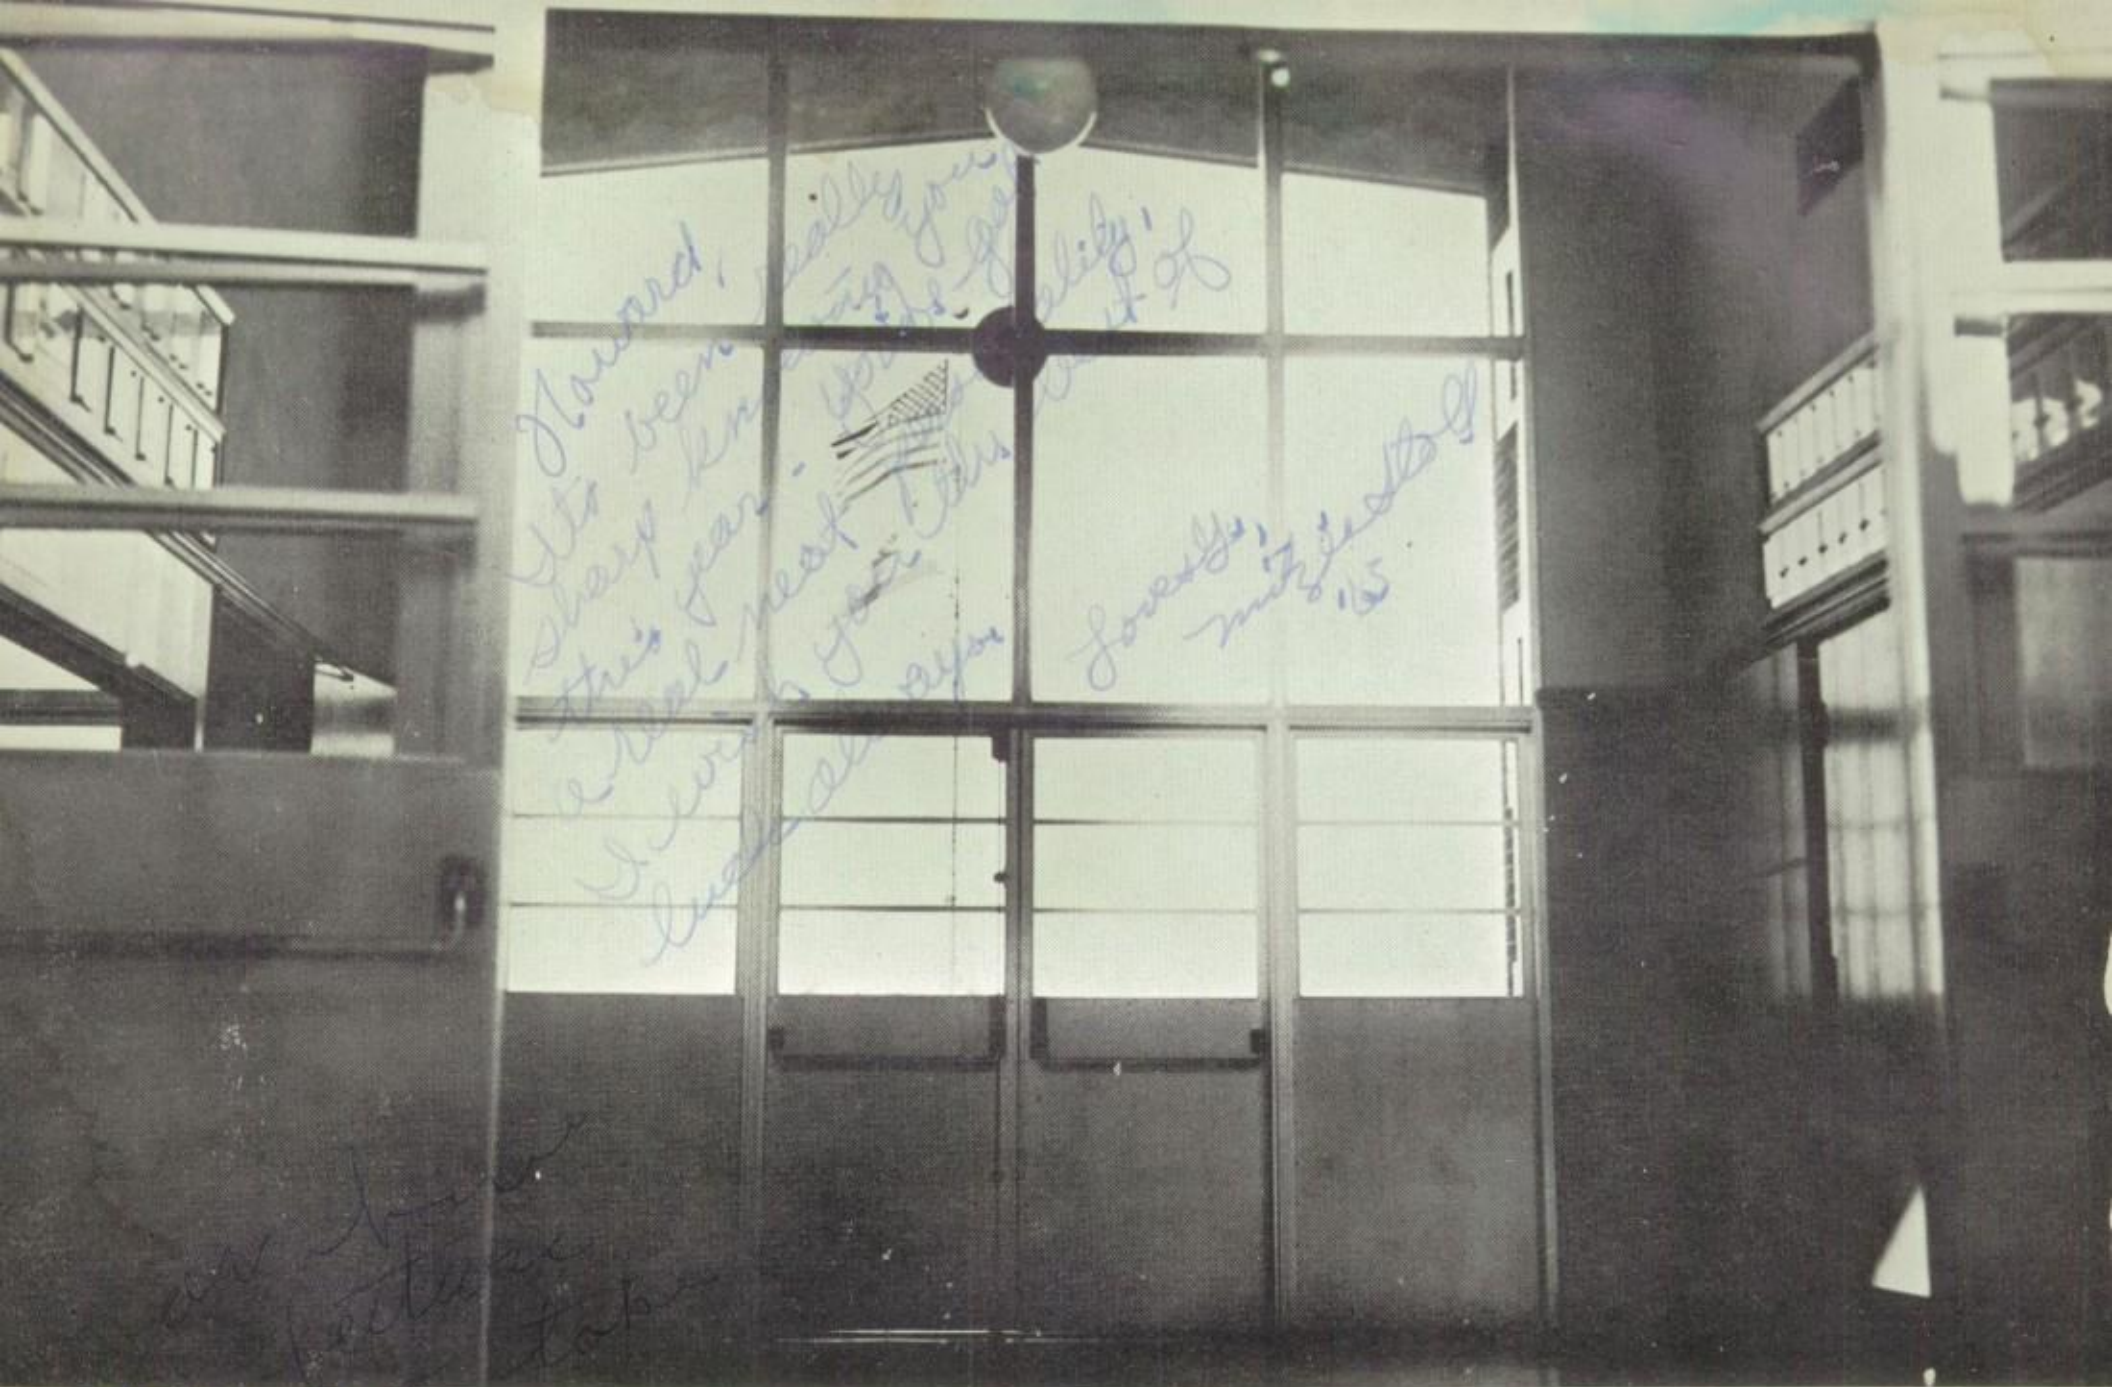

"... my fellow Americans: ask not what your country can do for you—ask what you can do for your country.

"My fellow citizens of the world: ask not what America will do for you, but what together we can do for the freedom of man.

"With a good conscience our only sure reward, with history the final judge of our deeds, let us go forth to lead the land we love, asking His blessings and His help, but knowing that here on earth God's work must truly be our own." — Inaugural Address

An assassin's bullets shot this individual on Friday, November 22, 1963. Upon hearing of the assassination, Principal Benton Hart informed our school. The following Monday Helix had an assembly in memory of the individual John Fitzgerald Kennedy.
